TO

All Active Members

Date - 14/11/2025

This is to formally notify all members of the Society that, effective from the upcoming Financial Year 2026-27, the Society has introduced two modes of Membership Renewal — Online and Offline.

Completion of both processes is strictly mandatory for all members.

1. Online Renewal -

A dynamic online renewal form will open when members click on the ***“Renewal Registration” option available on the front page of the Society’s official website.***

The form must be duly filled in and submitted on or before **30th November.**

2. Offline Renewal -

For offline renewal, members must visit the **“Downloads”** section of the Society’s website and download the prescribed Renewal Proforma.

The completed form must be physically submitted to the Society’s office on or before **31st December.**

Failure to complete both renewal processes within the stipulated deadlines will result in termination of membership.

All members are requested to complete the renewal procedures within the specified time.

Sincerely

Soumyadip Bera
